

Congratulations!

Your new Bobrick**Pure** Hygiene Solution is here to help you deliver the hygiene and wellness that your people expect.

Because any new experience can generate questions, the **PureStart** Program is designed to earn support and enthusiasm from your most important users: patrons, tenants and employees.

Enclosed you will find:

FAQs to educate your patrons

How to use and install guide

Facility signage

PRODUCTS

PureDri

Sanitizing Hand Dryer

For use in facility restrooms

A restroom accessory that protects hands with a blast of super-concentrated ionized air following the drying cycle, while providing continuous sanitization to the room itself.

PureSphere

Air Sanitizer

For use throughout the building

A 24/7 hygiene solution for air and indoor surfaces for complete workspace comfort and safety.

Thank you for purchasing from **BobrickPure** Hygiene Solutions! As you consider buying additional devices to supplement your facility's wellness goals, please follow the steps below.

PROCEDURES

Earn the support of your organization with the **PureStart** Program

INSTALL your devices in high-traffic locations using the provided measurement guides.

INFORM and EDUCATE tenants, staff and visitors about the technology using the provided signage and talk pieces.

GATHER FEEDBACK and answer questions to build enthusiasm and support for the product.

CHOOSE the next locations in your facility to experience the wellness benefits of **BobrickPure** Hygiene Solutions.
